

LIFETIME WARRANTY

Windermere Motion offers a lifetime warranty on the steel lift mechanism. Windermere Motion warrants that the steel lift mechanism on your lift chair will be free from defects under normal use and service for as long as the chair is in use by the original owner. This lifetime warranty covers the steel lift mechanism against metal fatigue, defective welds, and bushings.

NOTE: Windermere Motion reserves the right to replace only the part of the steel lift mechanism that may be defective.

ONE-YEAR LIMITED WARRANTY

(AS1001, AS1050, AS2001, AS3001, AS4001, AS5001, AS6001, AS7001, AS9001, FC101, LC201, SI101, SI201, SI301, NM101, NM1250, NM1450, NM1550, NM2001, NM3001, NM5001, NM7001 and NM9002)

For one (1) year from the date of purchase, Windermere Motion will repair or replace at our option to the original purchaser any of the following parts found upon examination by an authorized representative of Windermere Motion to be defective in material and/or workmanship:

- Motor
- Hand Control
- Scissor Mechanisms
- Transformer/Control Boxes

For one (1) year from the date of purchase, Windermere Motion will provide labor, service calls, shipping, and/or any other charges incurred for repair of the product. All transportation costs and shipping damage incurred while submitting parts for repair or replacement are the responsibility of Windermere Motion. Please contact your authorized provider for information on service visits.

This warranty covers service necessitated by product failure during normal usage. The warranty specifically does not cover failure due to customer misuse. The manufacturer reserves the right to determine if the cause of the failure is due to misuse. Customer abuse/misuse will void the warranty.

Service is not extended to fabric, buttons, or wear and tear items or issues. Labor does not cover product maintenance and/or adjustments. Only manufacturing defects are covered.

RECONDITIONED UNITS WARRANTY

All reconditioned units are covered by a six-month warranty from Windermere Motion effective from the date of purchase.

WARRANTY EXCLUSIONS

This warranty does not extend to fabric and excludes steel frame chairs.

- Circumstances beyond the control of Windermere Motion
- Repairs and/or modifications made to any part without specific consent from Windermere Motion

Exclusions also include components with damage caused by:

- Contamination
- Abuse, misuse, accident, or negligence
- Battery fluid spillage or leakage
- Commercial use, or use other than normal
- Improper operation, maintenance, or storage

IMPLIED WARRANTIES

Implied warranties, including those of merchantability and fitness for a particular purpose, are limited to one (1) year from the date of purchase and to the extent permitted by law. Any and all other implied warranties are excluded. This is the exclusive remedy. Liabilities for consequential damages under any and all warranties are excluded.

Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages. The above limitation or exclusion may not apply to you.

This warranty gives you specific rights, and you may also have other rights which vary from state to state.

NOTE: If you ever lose or misplace your copy of this manual, contact us and we will be glad to send you a new one immediately.

PRODUCT INSERT

LIFT CHAIR WEIGHT CAPACITIES

Your lift chair was developed for your convenience. See the below specification table for information on weight capacity. Refer to the owner's manual for any additional information concerning your lift chair.

MODEL	WEIGHT CAPACITY
NM9002	300 lbs. (136 kg) each side
AS4001, FC101, LC201, NM101, NM1550	325 lbs. (147 kg)
AS1001, AS1050, AS2001, AS3001, AS5001, AS6001, AS9001, NM1250, NM1450, NM2001, NM3001, NM5001, NM7001, SI101, SI201, SI301	375 lbs. (170 kg)
AS7001	500 lbs. (227 kg)

MANDATORY! Stay within the specified weight capacity of your lift chair. Exceeding the weight capacity voids your lift chair warranty.

EXTERNAL TRANSFORMER OPTIONAL WALL MOUNT DIAGRAM

Hold the transformer on the wall where you intend to mount it, and either mark the holes or drill (as shown) to secure the transformer to the wall.
